Re: MDL-1407 -- In re Phenylpropanolamine (PPA) Products Liability Litigation

(See Attached Schedule of Actions)

Dear Mr. Rifkin:

I am enclosing a certified copy and additional copies of a conditional remand order filed on April 27, 2004. The order was entered pursuant to 28 U.S.C. § 1407(a) which provides that "[E]ach action so transferred by the Panel shall be remanded by the Panel at or before the conclusion of such pretrial proceedings to the district from which it was transferred...."

Please note that transmittal of the order was stayed fifteen (15) days to give any party opposing remand an opportunity to file such opposition. The fifteen-day period has now elapsed, no opposition has been received, and the order is being sent to you for filing.

Pursuant to Rule 7.6(g) of the Rules of Procedure of the Judicial Panel on Multidistrict Litigation, 199 F.R.D. 425, 438 (2001), parties are to furnish you with a stipulation or designation of the contents of the record to be remanded and all necessary copies of any pleading or other matter filed to enable you to comply with the remand order.

Very truly,

Michael J. Beck  
Clerk of the Panel

**CONDITIONAL REMAND ORDER**

The transferee court in this litigation has advised the Panel that coordinated or consolidated pretrial proceedings in the actions listed on the attached schedule assigned to it have been completed and that remand of the actions to the transferor courts, as provided in 28 U.S.C. §1407(a), is appropriate.

This order does not become effective until it is filed in the office of the Clerk for the United States District Court for the Western District of Washington.
